

Loss of loved ones can be such a devastating time. Know that as a part of the Victory Family we will be here for you during your hour of separation. Our primary priority is to serve the membership of this Church family. **Rom 12:15 says, Rejoice with those who rejoice [sharing others' joy], and weep with those who weep [sharing others' grief].** Secondly, we will also strive to minister to and meet the needs of the community at large to the best of our ability. Please know that we will do everything in our power to serve your family's needs to the best of our ability and availability. There are no *cookie cutter* memorial services for us. Each service is handled individually with attention to detail, excellence, always with love, honor for the deceased, compassion for those effected, and hope for the hopeless.

Any member of VC who passes becomes our primary priority and will be responded to immediately.

Local Tragedies

For local tragedies (tragedy: sudden unexpected premature loss of life) that require a facility with the capacity to meet the needs of their memorial service or a local tragedy that involves individuals with no Church family. We refuse to sit by and allow our friends and neighbors to feel alone or abandoned. We will take these opportunities to embrace our community and show the love of Christ in a tangible way during their hour of need.
